Asociación Panamericana de Atletismo

Pan American Athletics Association

Bogotá D.C., June 14, 2025

Dear Sirs
MEMBER FEDERATIONS
Pan American Athletics Association

Dear Sirs,

Please accept our cordial greetings and our best wishes for success in your activities.

As you may know, the XXII Pan American Athletics Championships U20 Category is scheduled to take place in the city of Villavicencio, Colombia, from July 11 to 13, 2025.

In a session of the Executive Committee of the Pan American Athletics Association yesterday (Friday, June 13, 2025), we analyzed the numerical entries for the event. Unfortunately, there was a low turnout, which prevents us from presenting a high-level event, as is the goal of the APA. For this reason, several decisions have been made:

1. The event will be postponed to October 3, 4, and 5, 2025, in Villavicencio, Colombia.
2. The Organization will subsidize the accommodation and food costs for all participants in accordance with the technical manual; it will also guarantee all technical, logistical, and security aspects for all delegations from their arrival in Colombia until their return home.
3. Registration by number will be due July 25, 2025, at midnight, Colombian time. Registration by name will be due September 12, 2025, at midnight, Colombian time.

Additionally, based on the bylaws, the Congress must be held every two years within the framework of the Junior Pan American Championship, which requires the attendance of at least 24 countries to constitute a quorum for the meeting.

We hope, with these decisions, to count on your participation and thus develop a Championship with a high technical and organizational level.

Sincerely

CIRO SOLANO HURTADO
President
