Subject: Change of Venue for the U20 Pan American Athletics Championship

Dear Federations:

We would like to inform you that, due to reasons beyond the organization's control—specifically, the closure of the Bogotá–Villavicencio highway due to heavy rains—the Colombian Athletics Federation, as the entity responsible for the U20 Pan American Championship, has requested a change of venue for the event originally scheduled for the city of Villavicencio.

In this regard, the U20 Pan American Athletics Championship will be held in Bogotá D.C., from October 3 to 5, 2025, maintaining the same dates, logistical conditions, and levels of support for all participating delegations.

The organization guarantees, as established in the official regulations, support for accommodation, meals, and internal transportation for the days between October 1 and 6, in accordance with the previously reported quotas.

We appreciate your understanding in this exceptional situation and your continued willingness to participate in this important continental event.

Sincerely,

Ciro Solano Hurtado

President
